

From Our Delegate...

Walking With Purpose

I want to say hello to everyone reading this inaugural issue of the new Area 56 newsletter, "Walking with Purpose." New beginnings and new projects can seem overwhelming at times, and we are at the start of an exciting new phase of action in Area 56, with many changes finally arriving. New service opportunities, new chances to join in and expand your horizons, to grow in fellowship and service... we've got it all!

On a more personal level, I am finding it challenging to know what more to say here. Sometimes the hardest words to write are the first ones, just as the hardest step to take can be the First Step. I would like to say something inspiring enough that everyone reading this would get involved in AA service, but that is completely unrealistic and quite possibly insane (ego much?).

What I can do is what AA has taught me to do: share my experience, strength and hope. My experience is that participating in the Area 56 General Service structure has completely reordered my life. Not overnight, and not all at once. But one day at a time, one

step at a time, service has become a part of me.

In AA service, I learned to walk with purpose, a day at a time, doing the work in front of me, even when I would have preferred not to. For a long time in recovery, I was service-averse, which is to say, I was lazy and self-involved. Eventually my own hypocrisy began to disgust me and I started to show up, first at a group level, then as GSR, then as Area Literature Committee Chair, then as an Area Officer, and now finally as Delegate (or, as I prefer to think of it, Future Past Delegate).

One step led to the next, in the same way that the Twelve Steps lead from one to another, a chain reaction of amazing growth and healing. When I work all Steps to the best of my ability, I create a framework for successful living which cannot be shaken. Much to my surprise, part of that framework is a desire and ability to be of service to others.

Service in Area 56 has forced me to grow and taught me to rely on a higher power in ways I never needed to before. It has taught me that wisdom and strength reside in an

informed group conscience, and that that big brain of the group is way smarter than I am. It has taught me that we are stronger and more effective together than we ever could be apart.

AA relies on all of us to participate: in our own lives, in our Groups, in AA as a whole. Participation makes me more fully human and alive, which isn't something I ever thought I could have, let alone want. I was the person devoted to drinking myself to death, and look where AA has brought me!

The General Service structure is crucial to the continuing stability and strength of Alcoholics Anonymous. I would invite you to get involved, and stay involved. Walk with purpose through a service commitment, whatever it may be, and it may change your life. It changed mine.

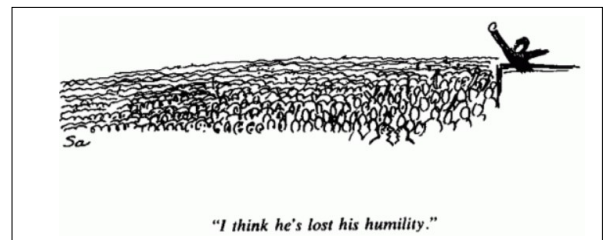

**Laura G.,
 Panel 66 Delegate
 Area 56 SW Ohio**

From Your Editor, Andrea H.

Why the name "Walking With Purpose?" About ten years ago when my now husband and I decided that it was "much more than a hunch" that we were to be together we named ourselves "Team Happy Destiny." Not long after that we were sitting in a meeting as the discussion was about the difficulty in trudging the Road of Happy Destiny. A gentleman told us about his sponsor's definition of trudging...walking with purpose. That moment changed the direction of my path in sobriety.

There are days when I wish I could come to my meetings and sit on the sidelines. I wish

the district would run itself without me. At times I wish I didn't have a phone to answer the A.A.'s calling me or my husband. I wish I didn't have any opinion on our Singleness of Purpose. I wish I could be neutral and tell myself that Area 56 doesn't need someone like me. I have grandchildren, a husband, two part-time jobs. I have interests and hobbies and a DVR filled with my favorite programs. Maybe I would have more friends if I didn't voice my opinions about the world and the happenings in A.A. But

there is that one pesky problem...I made a decision to turn my will and my life over to the care of God as I understand him.

I have not been the author of my life since God relieved me of the obsession to drink. He held my hand and led me to where I am

Statement of Purpose

today. I see that as long as I am willing to show up when He leads me I'm doing His will. The vision I have Walking With Purpose is that of a hiker with walking boots, a walking stick, a backpack with supplies and a hat. The direction is clear and straight ahead. Every step is taken with purpose whether on hard ground or tromping through mud. There are sweat and tears at times and thoughts may wander but I was told that this is the path and I try not to wander too far.

I was asked to chair the new communications committee and to

develop a newsletter as a better way for Area 56 to communicate with our fellow AA's. (*First thought, "Oh Crap," second thought, "I'm not worthy," "I'm already DCM for District 23," "Why me?".... ad infinitum.*) Every job I've had since being sober I've had to wade through without training and I realize my greatest skills are troubleshooting and persistence. I love Alcoholics Anonymous and I love serving and I'm very excited about this opportunity even as the selfish child in me is crying out "nooo!" So I ask that you "walk with me with purpose" and we shall surly meet in Miamisburg, Mercer County, and hopefully the Mini-Conference!

I am responsible.

When anyone, anywhere,

Reaches out for help, I want

The hand of AA always to be there.

And for that I am responsible.

Issues with court slips: some meeting places have been damaged, large numbers of people show up to have slips signed, but don't put anything in the basket, one local member had spoken with the probation officer who wanted certain things that AA doesn't do. They need a CPC Committee in the District.

Communications

Introduced first draft of the newsletter “Walking with Purpose” to wide acclaim and approval. Sought feedback and heard from the Committee about a few things like not using last names of Area Committee members (last initials only); how to distribute the newsletter (mail vs e-mail vs web); whether to include minutes and in what form.

Area 56 Hospitality Committee Report

Hello, Everyone! The Mini Conference is weeks away...and Judson and I are busy ramping up to provide everyone a place to relax and have a snack or a meal in the comfortable Hospitality Suite.

The Hospitality Committee is looking for volunteers to work a few hour shifts during the conference: serving food, replenishing snacks, greeting guests, and the most important job....keeping the coffee flowing!

The Hospitality Suite is closed during all Mini Conference sessions so volunteering will not overlap with the Conference.

If you are interested please contact either myself or Judson at the numbers (on the contact page) or email me at hospitality@aaarea56.org

Look for updates from the Hospitality Committee in the next issue of the Newsletter.

Area 56 Archives Committee Report

Why Does an Anonymous Program Need Archives?

By Ismenie N., Area 56 Archives Committee Chair & Archivist

From our co-founder Bill W. idea for organizing an historical collection of the fellowship's records in the early 1950s to the formal ribbon-cutting on the archives room at Alcoholics Anonymous' (AA) General Service Office (GSO) in November 1975, records of our society's growth and development as shown in the history of various groups, districts, and areas as it relates to recovery provide material for the message of hope that we carry in 12th Step work. The message that one can regain health, sanity, and serenity from "a seemingly hopeless state of mind and body" is the well-spring from which AA has grown from a meeting of two men in 1935 to a worldwide fellowship of approximately two (2) million members in 2016. It is through the systematic maintenance of our written, permanent historical record that we can prevent distortion and remember where we can from as a society. To that end, we invite your assistance and participation.

AA's Archives consist of any historical collection at the level of the group, district, area, intergroup/central office, region, or General Service Office. As Nell Wing (nonalcoholic), GSO's first archivist, put it, "The knowledge, understanding and enthusiasm of the old-timers gave us the momentum. With Bill and his AA co-

founder Dr. Bob (who died in November 1950) both gone, it (establishing archives) was an idea whose time had come."

AA Archives collections may vary, but generally consist of all kinds of written and audiovisual material deemed to be historically valuable such as: administrative reports and minutes, personal correspondence, newsletters, books, photographs and sound recordings, and more. To help enhance Area 56's archives, we invite you to write and submit a history of your home group. The target date for completion is April 30, 2016. Long time group members or, "old-timers" as they are affectionately called, may be especially helpful in collecting a group's history. Here are some typical questions to guide your research.

Who were the founding members of the group?

Where and when was the first meeting held? In date order, list where later meetings have been held. Include city, state, building, residence, church, clubhouse, etc.

Did the group list with the General Service Office at the time the members first met?

What is the group's name? Have there been any changes to

District 28

It saddened me to see that the Multi-District 1-10 is no longer active. After two years and poor if no support by the GSR's (General Service Representative) in the area a decision was made to allow it to go dark. As the new DCM (District Committee Member) of District 28 I personally know the struggle it is to get participation. This seems to be a unique problem to Area 56.

I got sober in Area 1, Alabama and Northwest Florida and enjoyed healthy District and Area support by the GSR's. In fact, the district I was a member of, which included Birmingham, Alabama regularly had 60 percent support from the GSR's and alternates. I've talked with many trusted servants across the Midwest and the Northeast and find that they have strong support at the district level. I've visited Area 53, which includes Columbus and have been most impressed with the participation and dedication to service.

It is an honor and a privilege to be elected a GSR and with it comes responsibilities to the Group, District and to Area.

"The GSR has the job of linking his or her group with Alcoholics Anonymous as a whole. They represent the Group conscience, reporting the group's thoughts to the DCM and the Area Delegate who passes them on to the Conference. This communication is a two-way street, making the GSR responsible to bring back to the group Con-

Over twenty years ago District 12 and 13 decided to meet together so more service work could be provided than if the Districts tried to provide the service on their own. It has worked outstandingly well.

At the last Districts meeting the voting members approved a budget for 2016. Districts 12 and 13 finance the meetings that are held in the Butler County Jail. At this time we are looking men, women, and members who can speak Spanish. Reaching the Spanish speaking population in the jail is a new outreach we are going to try to provide. The districts will be providing Spanish Books and literature for use in the Jail. As D C M of District 12, I am very excited

District 23

District 23 met Sunday, February 7. Nine groups were represented that day from the four counties; Darke, Mercer, Auglaize, and Van Wert. Never a dull moment in District 23, some of the groups are struggling to deal with issues arising from the influx of attendees needing court slips. The district meeting is a good place for groups to get input about any issue they are experiencing.

ference actions that affect A.A. unity, health, and growth. Only when a GSR keeps the group informed, and communicates the group conscience, can the Conference truly act for A.A. as a whole."

The first Duty listed for the GSR is Attend District Meetings. This allows you to inform your group of any actions, activities, changes in the Area as well as World Services. It allows the GSR's to get their members active in Public Information, General Service, Treatment Facilities and Jails, Bridging the Gap, Cooperation with the Professional Community.

Additionally, Area 56 has changed their structure whereas General Assembly will be meeting three times a year rather than every month beginning January 2016. This frees up time specifically allowing the GSR to get involved on the district level.

Bill Wilson, Dr. Bob Smith and a hand full of other drunks have given us a lifesaving inheritance, let's not squander it away.

Carl Sandburg, an American writer and poet, answered the question of "why" posed in the title of this article very well. "Whenever a society or a civilization perishes, there is always one factor present: they forgot where they came from." Lest we forget, we look forward to working with you to collect and preserve Area 56's history as lived through individual groups. Please contact me at Area56Archives@gmail.com with any questions you may have.
