

## Speaking of Service....

Did you know that our Intergroup office (CSO) is staffed by "special workers" and volunteers? Special workers, as set forth in the Traditions, are paid workers employed to run the office (print flyers, stock supplies, keep the books, etc.), but our 12 step work is never compensated. The spiritual work (carrying the message) is performed by AA volunteers in the office. The goal is to have 1 or 2 volunteers in the office to do 12 step work. They answer phones, work with people who come into the office for help, assist with AA literature etc. If you want to experience the joy of volunteering at the CSO contact the office at 351-0422. Various days and times are available.

Central Office is now in its new location. The mailing address is 2245 Gilbert Ave. Cincinnati, OH 45206. However, the entrance is at 2300 Florence Ave Cincinnati, OH 45206. Due to the mailing address being on Gilbert Ave and the entrance being on Florence Ave some people get the impression we're on the corner of Gilbert and Florence and this is not the case. As you see on the map Florence forks off Gilbert and parallels Gilbert. We are a couple of blocks down and between the two, not on the corner. I hope this helps everyone find us and you really should come and see the new place. We'll get our sign up as soon as we can. However, the sign must be approved by the city before we can put it up.
