

AA MEETING

“Some A.A.s come together as specialized A.A. groups—for men, women, young people, doctors, gays and others.

If the members are all alcoholics, and if they open the door to all alcoholics who seek help,

regardless of profession, gender or other distinction, and meet all the other aspects defining an A.A. group, they may call themselves an A.A. group.”

Topic Meeting

“The majority of A.A. members believe that we have found the solution to our drinking problem not through individual willpower, but through a power greater than ourselves. However, everyone defines this power as he or she wishes. Many people call it God, others think it is the A.A. group, still others don't believe in it at all. There is room in A.A. for people of all shades of belief and nonbelief.” -
