A.A.'s Legacy of Service

by Bill W.

Our Twelfth Step — carrying the message — is the basic service that the A.A. Fellowship gives; this is our principal aim and the main reason for our existence. Therefore, A.A. is more than a set of principles; it is a society of alcoholics in action. We must carry the message, else we ourselves can wither and those who haven't been given the truth may die.

Hence, an A.A. service is anything whatever that helps us to reach a fellow sufferer —ranging all the way from the Twelfth Step itself to a ten-cent phone call and a cup of coffee, and to A.A.'s General Service Office for national and international action. The sum total of all these services is our Third Legacy of Service.

Services include meeting places, hospital cooperation, and intergroup offices; they mean pamphlets, books, and good publicity of almost every description. They call for committees, delegates, trustees, and conferences. And, not to be forgotten, they need voluntary money contributions from within the Fellowship.

Welcome to Southwestern Ohio Area 56

Welcome to A.A. Area 56 service. You are in a special and responsible position. Voting members of the Area 56 Assembly are all GSRs, DCMs, Area Officers, Area Committee Chairmen, Past Delegates and representatives from Dayton and Cincinnati Intergroups. Alternate GSRs and DCMs may be voting members when they are present and their primary GSR or DCM is not present. You are expected to attend every Area Assembly and every Area Committee meeting as well as special Area 56 functions such as our Mini-Assembly and Unity Day. You are also expected to join and participate in one of our Area 56 Service Committees. These Committees are described, in detail, on pages 10 through 13 of this handbook. Please take a moment to read or re-read Bill W.'s short commentary on A. A.'s Legacy of Service. Service as a trusted servant of your group, district or area has its responsibilities, and this commitment, to A.A., will consume at least one Sunday afternoon a month, plus one weekend a year. We are only as good as our servants, so your experience, strength and hope is necessary to our success.

Ohio has a very important role in A.A. history, and Southwestern Ohio has a proud tradition of service to the whole of A.A. Every two years, in the fall of odd numbered years, we elect our panel of Area Officers to lead us in our endeavor to serve our local A.A. members and to represent our area to Ohio State, the East Central Region and the A. A. General Service Conference. Listed below are all of the delegates who have served us over the years.

The General Service Conference Structure (U.S. and Canada)

Area Structure Chart

Area 56 has 30 Districts which vary widely in their organization and activity. Some function with many of the standing committees as well as answering services to help the still suffering alcoholic, while others have no regularly scheduled district meetings or functions. All GSRs are encouraged to participate in all Area 56 meetings and hopefully encourage other GSRs in their District to participate at both the Area and the District level.

Revised January 2011

Area 56 Structure

THE GROUP: The communication process starts with the group, which lets its group conscience — for or against change, approval or disapproval of a proposed action — be known to its elected General Service Representative (GSR). The GSR makes sure the group's wishes are heard and fully considered at the District and Area levels, and that they are part of the delegate's thinking at the Conference. After each annual Conference, the GSR is responsible for making sure that group members are informed about what went on at the Conference and made aware of the full range of Advisory Actions.

THE DISTRICT: Groups are organized into Districts, collections of groups located near one another. The GSRs of these groups select the District Committee Members (DCMs), who represent their district to the Area.

THE AREA: The U.S./Canada Conference is divided into 93 Areas, made up of a state or province, part of a state or province, or in some cases parts of more than one state or province. At the Area Assembly, a Delegate is elected to represent the Area at the annual Conference meeting. The Area holds an important middle position in the Conference structure — through the elected Delegate, it participates in A.A. worldwide, while through the DCMs and GSRs, it is close to the local scene.

THE AREA ASSEMBLY:

Any meeting of area DCMs, GSRs and the area committee is an assembly. The Area 56 Assembly meets every February, April, June, August, October and December. The Area assembly is the mainspring of the Conference structure — the democratic voice of the movement expressing itself. Assemblies are the responsibility of the area committee, and are conducted by its chairperson (Alternate Delegate/Chairperson). Assembly meetings consider a variety of issues, from General Service Conference business to Area problems and solutions and financial affairs, while sharing sessions, public information programs, workshops, and video programs keep A.A. strong and participation in service growing. In the months of January, March, May, September, and November the area Committees meet and conduct any necessary area service committee work.

An election assembly is held at least once every two years to choose a Delegate and committee officers. It is usually scheduled in the fall of the year, prior to November 1. (Generally, the newly elected delegate and officers take office as of January 1.) Non-election assemblies or meetings may be held at any interval the area wishes. In some areas they may be called "workshops" or "general sharing sessions." However, most areas call them assemblies and include workshops and other activities; and the election meeting is always called an "assembly."

Composition: GSRs, DCMs, Area Committee Chairs, Past Delegates, Intergroup Liaison Representatives and Area Officers make up the assembly. Any A.A. member may attend, and in our area, members are encouraged to attend assemblies as a way of encouraging them to become active in General Service.

Eligibility to Vote: All current area committee members — that is all Area Officers, Area Committee Chairs, Past Delegates and Intergroup Liaison representatives present plus all current GSRs and DCMs present each have one vote in an assembly. Experience indicates that even though committee members and area officers are members of a group in the area that is represented by a GSR, they are entitled to a vote at the assembly. Alternate GSRs or DCMs who are present vote only if the regular DCM or GSR is not present.

The Area Committee

Perhaps more than any other group of people in A.A., the area committee is responsible for the health of the Conference structure and thus for growth and harmony in the A.A. Fellowship. If GSRs are lax, if there is lack of harmony in a district, if there are difficulties in public information or some other service area, the committee member knows it and can turn to the full committee for help. An active committee deals with all kinds of service problems: Is experience being shared among groups? Is the A.A. message getting into hospitals, prisons, jails, and rehabilitation centers? Are news media and professionals who deal with suffering alcoholics well informed about A.A.? Are new groups and Loners being visited and helped?

Composition: Basically, the committee is composed of all area officers, past delegates and chairs of area service committees. There should be enough members to ensure good communication between the committee and the groups.

Geographical Rotation within Area 56

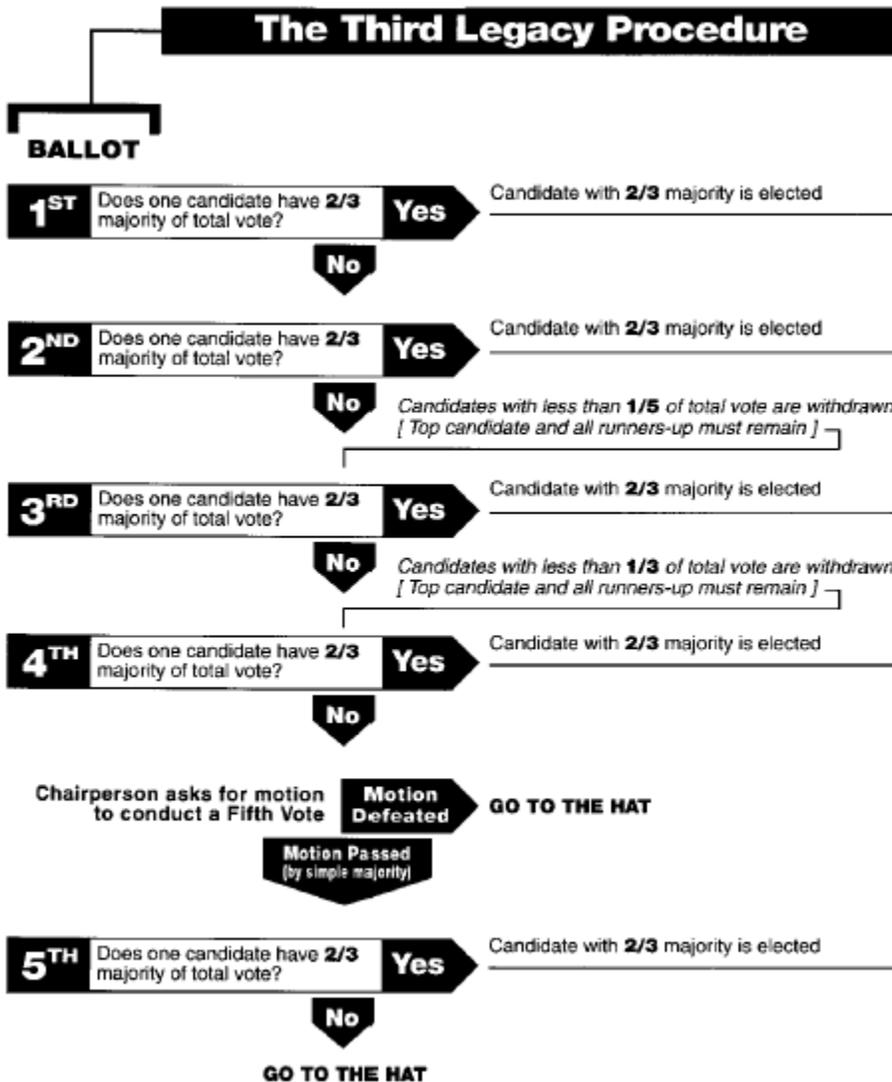

Area 56 has determined that the selection of the area Delegate should be rotated between the three geographical regions of our area. Area 56 is made up of three regions, south, central and north. However, no well-qualified A.A. should be passed over in the interest of geographical rotation.

The Third Legacy Procedure

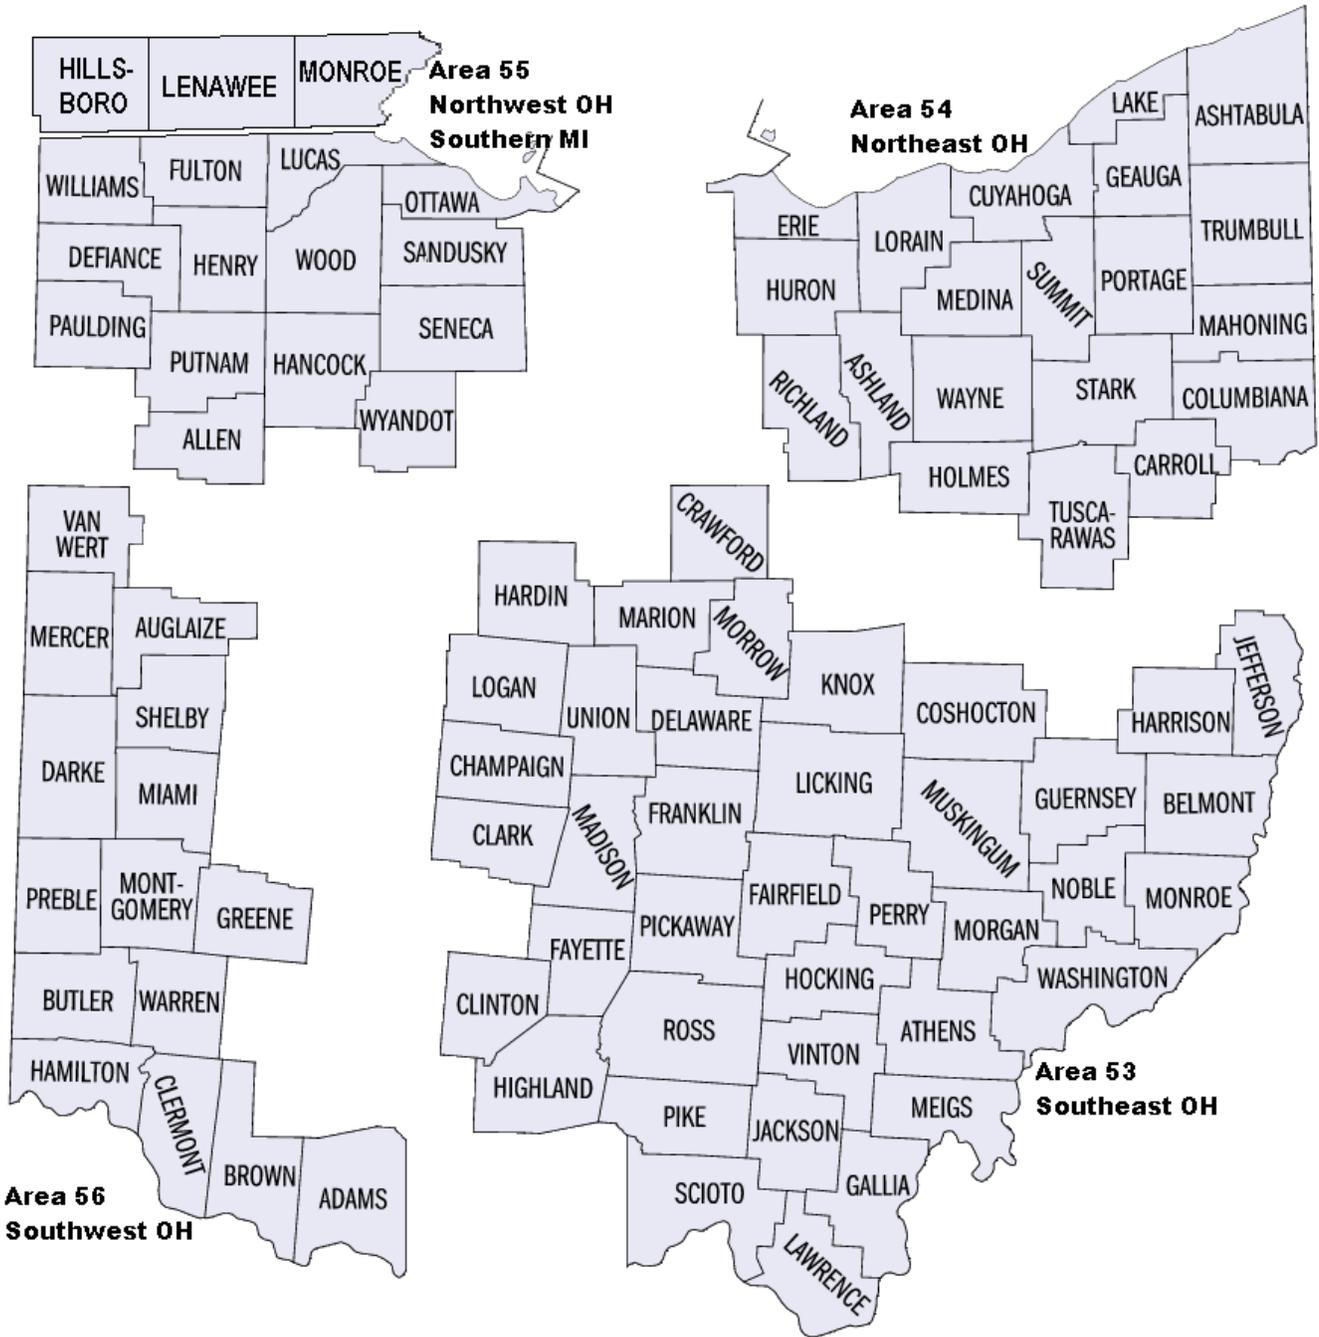

A.A.'s Third Legacy Procedure is a special type of electoral procedure, used primarily for the election of delegates and regional and at-large trustees. It is considered to be unique to A.A., and at first glance, appears to introduce a strong element of chance into a matter that should depend solely on the judgment of the majority. In practice, however, it has proved highly successful in eliminating the influence of factions or parties that seem to thrive on most political scenes. The railroading of a candidate for election is made difficult, if not impossible, since voters have a wide selection of candidates to choose from. More importantly, a second-place candidate who may be extremely well qualified but without early popular support is encouraged to stay in the balloting rather than withdraw. Third Legacy Procedure is as follows:

Revised November 2010

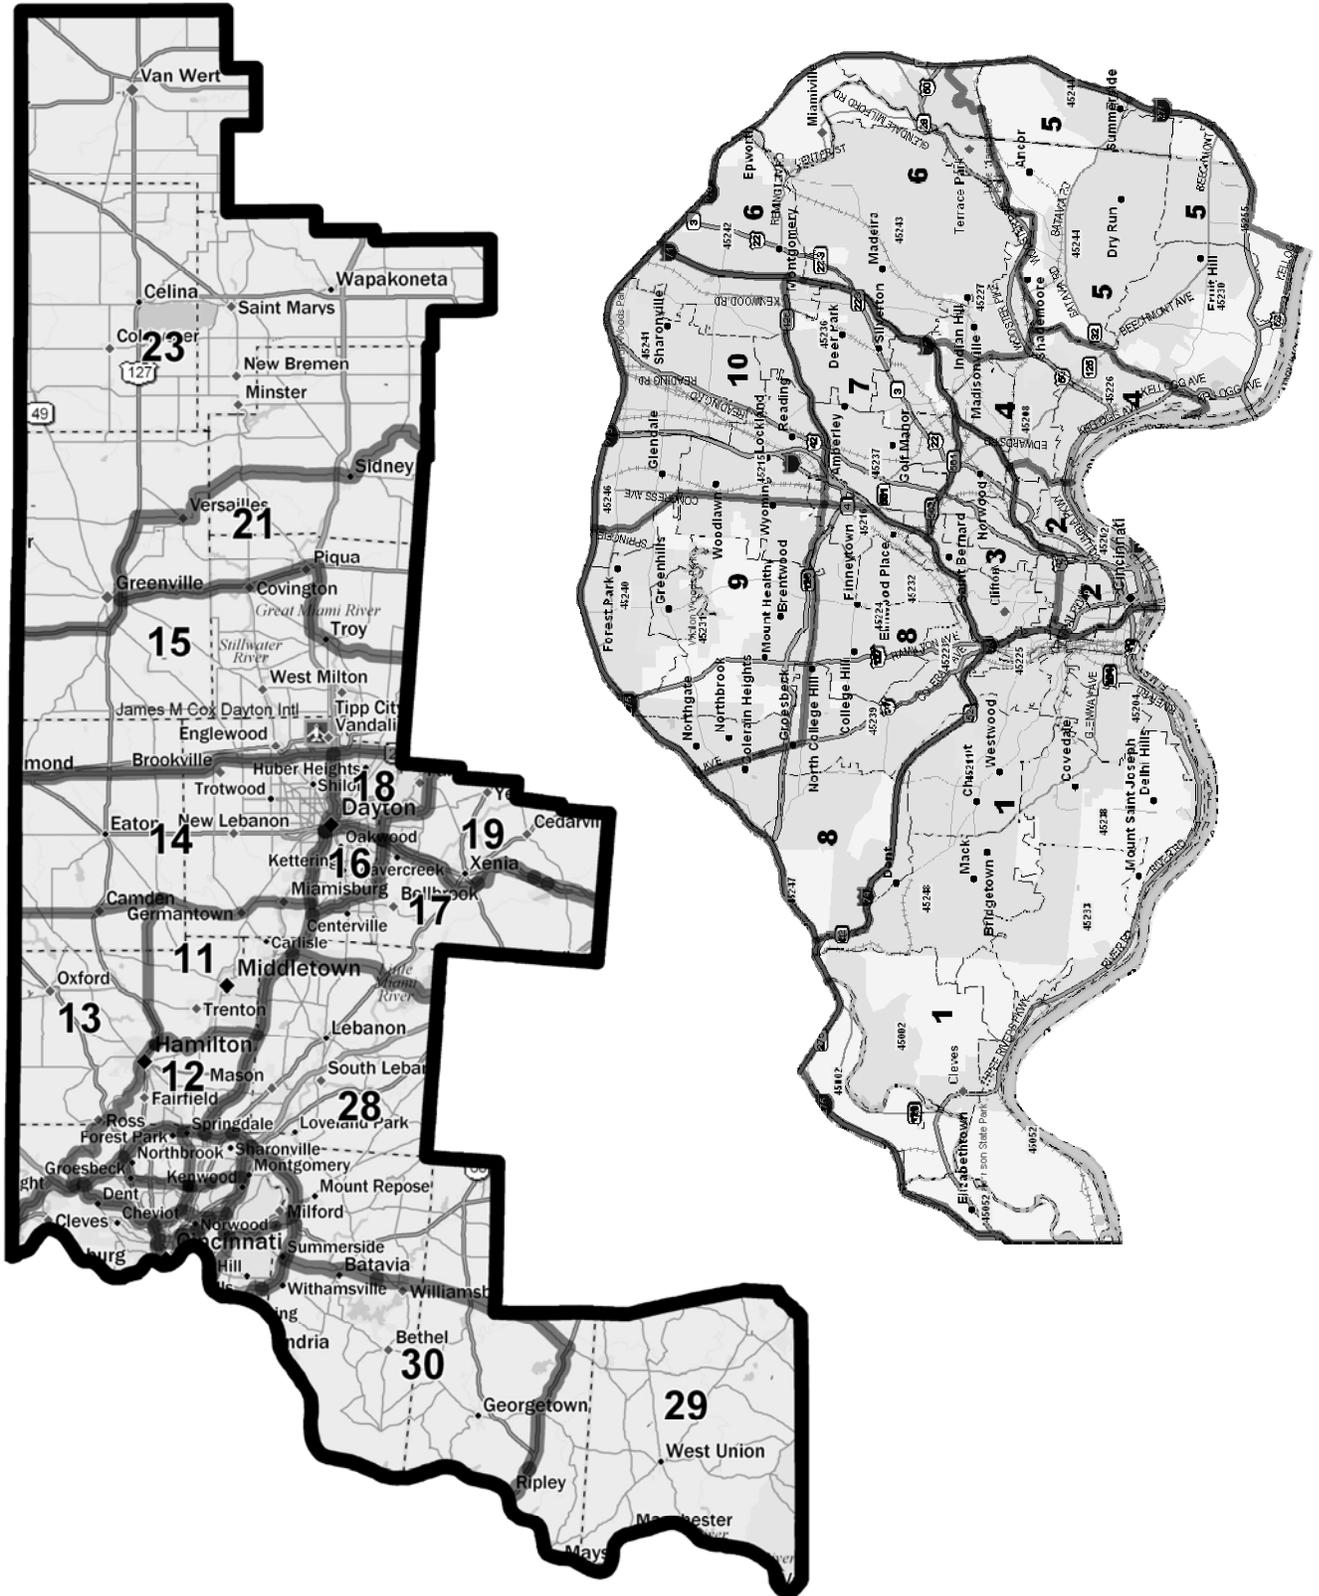

- The names of eligible candidates are posted on a board. All voting members (of the area or Conference body) cast written ballots, one choice to a ballot. The tally for each candidate is posted on the board.
- The first candidate to receive two-thirds of the total vote is elected.
- Withdrawals start after the second ballot. If any candidate has less than one-fifth of the total vote, his or her name is automatically withdrawn¹ — except that the top two candidates must remain. (In case of ties for second place, the top candidate and all tied runners-up remain as candidates.)
- After the third ballot, candidates with less than one-third of the total vote will be withdrawn automatically, except the two top candidates remain. (In case there are ties for second place, the top candidate and all tied runners-up remain as candidates.)
- After the fourth ballot, if no candidate has two-thirds of the total vote, the candidate with the smallest total is automatically withdrawn, except that the top two candidates remain. In case there are ties for second place, the top candidate and all tied second-place candidates remain. At this point, the chairperson asks for a motion, second, and a simple majority of hands on conducting a fifth and final ballot. If this motion is defeated, balloting is over and the choice is made by lot (“going to the hat”) immediately. If the motion carries, a fifth and final ballot is conducted.
- If after the fifth ballot no election occurs, the chairperson announces that the choice will be made by lot (from the hat). At this point, the top two candidates remain. In case there are ties for first place, all tied first place candidates remain. In case there are no ties for first place, the top candidate and any tied second-place candidates remain.
- Lots are then drawn by the teller, and the first one “out of the hat” is the delegate (or other officer).

Area 56 Financial Policy

Modified and Approved December 2008

Section One: Financial Policy

1. The purpose of this document is to bring together, under one cover, all financial policies of the Southwest Ohio Area Assembly. It is meant to be general in nature; the guiding principles are to be found in the A.A. Service Manual and The Twelve Steps and Twelve Traditions.
2. In order to promote uniformity and continuity of financial policy for the Southwest Ohio Area within the service structure guidelines set forth in the A.A. Service Manual, the Area Assembly has a primary purpose – to carry A.A.'s message of recovery to the still suffering alcoholic.
3. In order to meet this primary purpose, the following are of paramount importance:
 - a. To preserve and protect the service structure of Alcoholics Anonymous so we can be assured that this program will be available to those who follow.
 - b. To provide a means of communication within the fellowship so all AA members can be aware of current events and concerns throughout the fellowship.
4. To accomplish the above objectives, we must have Area Officers and Standing Committee Chairpersons, as outlined in the A.A. Service Manual. It necessarily follows there must be meetings of the Area Committee, Area Assembly and Standing Committees. Money must be provided for reimbursement of our trusted servants for the expenses incurred in carrying out the needed services. These expenses include (but are not limited to) travel expenses, materials and supplies, and rental of meeting places necessary to carry out these services.
5. The Area Officers are the custodians of the funds provided and must show extreme diligence and prudence in spending these funds. They must be able to assure the membership maximum return is being obtained for the monies expended. The area funds are to be used judiciously and wisely – for the benefit of the general membership. Above all, we must remember to trust our “trusted servants”.
6. Specifically, policies will be addressed in the following general categories:
 - II. Budgeting Process
 - III. Treasurer's Responsibility & Banking Procedures
 - IV. Self-Support
 - V. Expense Reimbursement
 - VI. Expenditure Approval
 - VII. Limitation of Accumulated Funds
7. This Financial Policy may be amended by a two-thirds vote of the voting members present of Area Assembly.

Section Two: Budgeting Process

1. The Southwest Ohio Area Assembly will, as much as reasonably possible, conduct its business through the use of budgets. The primary vehicle of the budgeting process will be an annual master budget presented to and approved by the entire Area Assembly. Changes within an already approved budget can be made by the Area Officers. (Changes should be minimal, custodial in nature and maintain the original intent of the budget item. e.g. a change of location for any event will affect the budgeted mileage.)
2. The Alternate Delegate will have primary responsibility for preparation of the annual budget. The Alternate Delegate shall call upon each Standing Committee Chair and Officer to prepare an itemized budget for each standing committee, officer and area project.
3. These itemized budgets should be realistic listings of the expenses expected to be incurred by the committee or officer in the process of fulfilling their respective duties. They can be itemized by project, process or type of expense, as long as the itemization will facilitate the subsequent charging of expenses against the budget.
4. In determining whether monies should be budgeted for a particular project, guidance should be sought from the three primary objectives of the Southwest Ohio Area, as described in Section One. (#2, 3a, 3b)
5. Travel amounts to be budgeted shall be based on the Area Officers attending the Delegates-Past Delegates Conference, Officers attending Ohio Mini Conferences, East Central Regional Conference, East Central Regional Forum (every other year), Ohio State Convention, (Ohio State Convention planning meetings), Area

Assemblies, Committee Meetings, and Officer Meetings. Any other travel shall be included as a line item in their respective itemized budget. Officers and committee chairs are encouraged to be prudent in travel and housing expenses, as well as ride and room sharing. Immediate Past Delegate may also be reimbursed contingent upon available Area Funds and involvement with the next Area 56 Mini-Conference.

6. Travel amounts to be budgeted shall be based on the Area Standing Committee Chairs attending the annual Southwest Ohio Mini Conference, East Central Regional Forum (every other year), Area Assemblies, Committee Meetings and workshops. Any other travel shall be included as a line item in their respective itemized budget.
7. These individual committee, project and officer budgets will be collected by the Alternate Delegate and combined into an overall Area Budget. It will be determined at this time what adjustments will be necessary in order to make the Area Budget realistic when compared to the expected level of contributions and reviewed by the Area Finance Committee.
8. The Area Budget will then be brought before the Area Assembly for its consideration, no later than November of each year and then approved at a later meeting. Once approved, expenditures made for projects included in the budget will not need subsequent approval by the Assembly.
9. Availability of sufficient Area funds should still be checked before incurring expenses. (See Section Four – Expenses Reimbursement Policy)
10. In budgeting for communication within the fellowship, consideration shall be given to using the existing general service structure as well as inclusion with Area minutes regularly mailed to GSRs and other AA Service Entities.

Section Three: Treasurer's Responsibility & Banking Procedures

1. All Area funds shall be maintained in bank accounts in the name of the Southwest Ohio Area Assembly. All Expenditures from Area accounts shall require the signature of two of the following officers: Delegate, Alternate Delegate, Secretary, and Treasurer. As a matter of policy, none of these officers shall sign blank checks.
2. In the case of insufficient funds to pay any debts incurred by the Area, the Treasurer shall immediately inform the Alternate Delegate. The Alternate Delegate shall be the final arbiter in prioritizing outstanding bills according to the procedure outlined in the section "Limitation of Accumulated Funds".
3. The Treasurer's actions regarding account balances shall be governed by Section Seven "Limitation of Accumulated Funds".
4. The Treasurer shall, upon receipt of the monthly banking statement, reconcile the Area records to the statement.
5. The Treasurer shall prepare a monthly trial balance sheet showing all contributions expenditures, checking account balance and known unpaid and future liabilities of the Area. The trial balance sheets shall be available to any member of Alcoholics Anonymous at each Assembly Meeting.
6. The Treasurer shall publish, to be included with the self-support letter as outlined in section 4, #1 on a six and twelve month basis, an accounting summary listing group contributions received since the last half, the checking account balance, a total list of all expenses paid since the last publishing, and a listing of total expenses to date as well as total budget
7. The Treasurer shall maintain a physical and an electronic version of a Financial Data Notebook which contains the budget as approved by the Area Assembly, a list of all contributions received, a listing of all expenses paid and accounting of each budget item against which expenses have been charged.
8. The treasurer shall, when attending Area Committee Meetings and Area Assemblies, have in his/her possession the Financial Data Notebook and the most recent checking account reconciliation. The materials shall be available to any members of Alcoholics Anonymous for their inspection. At these meetings, the Treasurer shall not be required to issue any checks against expense reimbursement requests received at that meeting, but may do so if it can be done in an orderly fashion.

9. Requests for reimbursement shall be submitted on the standard expense reimbursement form provided by the Treasurer. It is recommended that reimbursement forms be submitted to the Treasurer on a monthly basis to ensure that the necessary funds are available.
10. Disbursements of funds for reimbursement of expenses incurred by Area Officers and Committee Chairs shall be handled in a timely manner. Whenever possible the Treasurer will distribute reimbursements within two weeks of receiving a properly executed expense reimbursement form. In the event that Area funds do not permit reimbursement within this timeframe, the Treasurer will notify the Officer or Committee Chair promptly. The Treasurer will then disburse funds when they become available according to the guidelines set forth in Section Seven (#8).
11. The Area will accept contributions using the same guidelines as the General Service Office of Alcoholics Anonymous. Individuals may contribute no more than the maximum allowed by the General Service Conference. Individuals who wish to remain anonymous will have their contributions recorded as "Anonymous AA's", but the Treasurer will keep a data file on each anonymous contributor to ensure the limitation is not exceeded. The anonymous data file may be reviewed by the Alternate Delegate only if there is a need to do so.
12. Individuals who have reimbursable expenses but do not wish reimbursement will receive an acknowledgement of their "in kind" contribution equal to the amount shown on the submitted documentation. These "in kind" contributions may also be kept anonymous, following the procedures outlined in Item Eleven (#11) of this section.
13. The Finance Committee shall be responsible for all self-support efforts and will meet periodically to assess and develop Self-support efforts. At these periodic meetings, the Finance Committee shall also review the Treasurer's records.
14. No Committee Chair, may embark on any project (including budget approved projects) costing more than \$50.00 without first consulting the Treasurer to see whether funds are available. Officers must check-in with the Treasurer if expenses exceed \$100.00. In case of conflicting requests for money, the approval of the Alternate Delegate must be obtained. The Treasurer is to make note of the proposed expenditure, in order to be able to track the Area's financial condition more accurately.

Section Four: Self-Support

1. The Area Finance Committee will be charged with preparing and distributing a bi-annual self-support letter and distributed via the Area mailing list.
2. The typical self-support letter, in addition to requesting contributions and serving as a reminder of the Seventh Tradition shall spell out what projects the area is involved with, the emphasis being where the Area expects to expend the requested contributions.
3. While responsibility for preparing and distributing the bi-annual self-support letter shall reside with the Area Finance Committee, the primary responsibility for soliciting group contributions lies with each trusted servant – in direct proportion to the group conscience he or she serves. Thus:
 - a. The General Service Representative has the key responsibility for informing the group of the need and opportunity to contribute.
 - b. The District Committee Member is responsible to ensure all groups within his or her district are informed of the area's financial situation as well as the nature of the projects the area is coordinating.
 - c. Area Officers and Standing Committee Chairs are responsible not only for informing the area of funding needs but also ensuring the funds are expended prudently and wisely, in adherence with the area's collective group conscience.

Section Five: Expense Reimbursement

1. Expenses incurred by Officers and Committee Chairs of the Area Assembly in the course of Area business shall be reimbursed. Generally, expenses incurred will be in furtherance of a project or committee

expenditure already approved within the Area Budget by the full Assembly. Thus, when completing an expense reimbursement form, it should be indicated what project or committee the reimbursement should be charged against. This will relieve the Area Treasurer of trying to guess where in the itemized budget a particular expenditure has been approved.

2. The authority to spend Area funds carries with it a concurrent responsibility to ensure the funds to be disbursed are available.
3. Thus, any expenditure of funds not in the current approved budget in excess of \$50.00, (and \$100.00 for Officers) should be cleared with the Area Treasurer prior to incurring the expense, (see Section Three – #14). In case of regularly occurring expenditures, the Treasurer can be provided with a schedule of anticipated costs and their approximate dates, rather than contacting the Treasurer on each occasion.
4. Contracting with outside vendors brings the name of Alcoholics Anonymous into the public, thus it is vital to obtain prior expenditure approval when dealing with vendors outside the fellowship.
5. The following shall act as a guide in reimbursement of expenses incurred:
 - a. Receipts shall be presented with the expense reimbursement form in order to be reimbursed.
 - b. Mileage shall be reimbursed at a rate of 25 cents per mile.
 - c. When car pooling only the driver shall be reimbursed for mileage. Car pooling is encouraged as much as possible.
 - d. Hotel room reimbursement for the Area Officers shall be made for the two (2) nights at the Delegates-Past Delegates Conference, Officers attending Ohio Areas 53, 54, and 55 Mini Conferences (limited to three officers), Area 56 Mini Conference, the East Central Regional Service Conference and Forum, and the Ohio State Convention. Past Delegates may also be reimbursed if Area Funds permit. Room sharing is encouraged as much as possible.
 - e. Registration and meal packages are reimbursable to Officers required to attend such events.
 - f. Officers may have a spouse or guest stay in their room, however, the Area is not responsible for meals, registration, or additional room cost for the guest or spouse.
 - g. Officer and Committee Chair reimbursable expenses while conducting Area business may include but not limited to: mileage, tolls, room and board, long distance phone calls, postage, printing, copying.
6. All Area Committee Chairs will be reimbursed by Area Funds for expenses incurred in the transportation and storage of their displays at AA events and functions within Area 56 they have been requested to attend. This will include hotel room reimbursement when necessary.

Section Six: Expenditure Approval

1. Prudence is of the utmost importance in spending the Area's Funds. Therefore, the following guidelines have been set forth for the approval of expenses:
 - a. When a Standing Committee Chair or Area Officer requests approval for an expense that is in excess of \$50.00 that has not previously been approved by the Assembly as a budget item the proposed expense must be presented to the Assembly and approved by a 2/3 majority of voting members present of the Area Assembly before it may be incurred.
 - b. Expenditures that are outside of a committee's budget but below \$50.00 must be carefully considered by the Alternate Delegate and Area Treasurer. If the requested amount warrants further review, the Alternate Delegate may consult with other Officers or Standing committee Chairs and may place it on the next Area Meeting agenda for discussion.

Section Seven: Limitation of Accumulated Funds

1. The reserve fund will be kept in a separate, interest-bearing account.
2. The total amount of the Reserve Fund shall not exceed one sixth(1/6) of the current year's annual budget. (i.e., two months of budget expenditures, this will include a percentage of annual mini conference expenses)
3. The total amount of the Area's Operating Fund (balance of checking account) shall not exceed one third (1/3) of the current year's annual budget. (i.e., four months of budgeted expenditures).

4. The maximum available Area Funds – the total of the Reserve Fund (up to one sixth of the current budget) and the Area Operating Fund (balance of checking account - up to one third of the current budget), but excluding the Delegate's Fund – shall never exceed one half (1/2) the current year's annual budget. (i.e., six months budgeted expenditures).
5. The Delegate's Account shall never exceed the amount that it has been set forth to represent. The account includes the amount that is requested as a contribution from the General Service Office for the Delegate's attendance at the annual General Service Conference, plus the budgeted amount intended to defray costs for the delegate to attend the International Convention.
6. Any excess over the limitation of one half of the current year's annual budget shall be first used to fulfill any known and existing obligations of the Area. Remaining funds shall be used to build the Delegate's Funds up to their required balances accumulation for the International Convention. Any remaining excess shall be contributed to the General Service Office of Alcoholics Anonymous. However, if the Area expresses interest in appropriating funds elsewhere (for example, corrections literature), this may certainly be brought up for discussion at any Area Assembly.
7. The Reserve Fund exists to ensure the Area can survive an emergency. It shall be built up to its cap as soon as reasonably possible for, when not at its maximum, its value is severely diminished. It should not be thought upon as simply another source of funds for the Area, but rather should be drawn upon only in case of emergency.
8. In the absence of sufficient operating funds to cover expenses, the Reserve Fund shall be used to pay Area Expenses according to the following priority:
 - a. Vendor Accounts
 - b. Delegate's General Service Conference Expenses
 - c. Assembly Expenses
 - d. Other Delegate Expenses
 - e. Officers' Expenses
 - f. Standing Committee Chairs' Expenses
 - g. Standing Committee Expenses
9. In the event the Reserve Fund has to be used, only enough will be transferred to the Operating Fund at a time to pay the bills due. When a month has gone by without having access the Reserve Fund, regular transfers from the Operating Fund to the Reserve Fund will resume – thus ending the priority disbursement procedure.

Summary of Assembly Procedures Adapted from "How the General Service Conference Operates"

Generally speaking, we follow Robert's Rules of Order, and proceed on as informal a basis as possible consistent with the rights of all concerned. However, over the years we have adopted some exceptions to Robert's Rules, which help us to proceed more closely in accord with the Traditions.

It is important to remember that the purpose of the Rules of Order is to make it easier for the Assembly to conduct its business; rules exist to allow the Assembly to do what it needs to do to carry out the will of the Fellowship by reaching an informed group conscience.

Assembly Quorum

An Assembly quorum - two-thirds of all signed in members (Area Committee members, Past Delegates, Area Committee Chairmen, GSRs, DCMs or alternates if GSR or DCM is not present, and Intergroup Liaison Representatives) is required to conduct assembly business.

Committee System

To the extent possible, important matters to come before the Assembly will be handled via to "Committee system." This assures that a large number of questions can be dealt with during committee meetings. Each Committee considers carefully the items before it and presents its recommendations to the Assembly as a whole for acceptance or rejection.

General Rules of Debate

- People who wish to speak line up at the microphones and are called on in order.
- Each person may speak for two (2) minutes.
- No one may speak for a second time on a topic until all who wish to have spoken for the first time.
- Motions, when presented to the Assembly, must also be submitted in writing to the Secretary.
- Voting is by show of hands.

Calling the Question

Calling the question brings debate to a halt while Assembly members decide whether to proceed directly to a vote (the question) or go on with the debate. A motion to call the question:

- Must be made in order at the microphone.
- Requires a second.
- Is not debatable.
- Requires a two-thirds vote.

Substantial Unanimity

All matters of Policy require substantial unanimity, that is, a two-thirds majority. Any actions, including amendments, that affect an Area Policy or motions that might result in such an action, also require a two-thirds majority.

Because the number of members present in the hall during the Assembly varies from time to time, the phrase "two-thirds vote" is taken to mean two-thirds vote of the Assembly members voting, as long as the total vote constitutes an Assembly quorum.

Reconsideration

After voting on a matter of policy, the losing side will always be given an opportunity to speak to their position. A motion to reconsider a vote must be made by a member who voted with the winning side, but it can be seconded by anyone. If the motion receives a majority vote, but falls to pass for lack of a two-thirds vote, the majority may speak to their position, and the motion to reconsider must be made by someone who voted against the motion -- in this case, someone who voted against to motion would be on the prevailing side.

- Only a simple majority is required.
- No action may be reconsidered twice.
- If the majority votes to reconsider, full debate, pro and con, is resumed. (Assembly members are urged to limit discussion to new considerations of the question under debate.)

Tabling a Motion

Tabling a motion (postponing discussion to a later time)

- Requires a motion and a second.
- Is not debatable.
- Needs only a simple majority to pass.

Tips, Hints, and Words of Caution

Full discussion of a recommendation should take place before the vote. Premature actions (e.g., amending motions early in the discussion or hastily calling the question) can divert attention from the subject at hand, thus confusing and/or delaying Assembly business.

Everyone is entitled to, and should, express his or her opinion. However, if your perspective has already been stated by someone else, it is not necessary to go to the microphone and say it again.

Remember, too, that saving "minority opinions" for after the vote, when there is no rebuttal, is another time-waster, for it can force the Assembly body to reconsider a question that might well have been decided the first time around if it had thoroughly examined from all sides.

An informed group conscience is the result of discussion covering ALL points of view.

Brief Parliamentary Guide

Adapted from "Chicago Area 19 GSR Handbook"

Go to a microphone and when recognized by the chairperson: Give your full name and service title if you have one. Speak clearly and briefly as possible. Your remarks must be pertinent to the business at hand or items you wish to bring to the floor. If you are making a motion, have the motion written out before you approach the microphone, read the motion as written and give the written motion to the secretary to assure accuracy in recording the motion.

To Do This:	You Say:	When another has the floor?	Is a Second Required?	Is Discussion Permitted?	Can it be Amended?	Required Vote?
To Make a Motion	I move that...	No	Yes	Yes	Yes	Majority
To Amend a Motion	I move that the motion be Amended to read...	No	Yes	Yes	Yes	Majority
To Withdraw a Motion	I wish to withdraw my motion	Yes	No	No	No	Majority
To End Discussion	I Call the Question	No	Yes	No	No	2/3
To Object to an Error in Procedure	Point of Order	Yes	No	No	No	The Chairperson Decides
To Table an Item	I move we table this...	No	Yes	No	No	Majority
To Bring Back a Tabled item	I move that we take this from the table...	No	Yes	No	No	Majority
To Nominate a Person	I would like to Nominate...	No	No	Yes	No	Majority
To close Nominations	I move that Nominations be closed	No	Yes	No	Yes	2/3
To Send an item to Committee	I move that we refer this to committee	No	Yes	Yes	Yes	Majority

Note: In Alcoholics Anonymous, once a vote has been taken on a motion, the minority parties ALWAYS have the opportunity to speak from the floor. If someone in the majority (the winning side) would like to change their vote after the minority has spoken, it becomes a motion to reconsider which needs to have a second, it is then open to further discussion (if the original motion was open to discussion) before a new vote on the original motion is taken. It is not amendable and requires the same type of vote (majority or 2/3s) as the original motion. See our "Summary of Assembly Procedures" and the section on Reconsideration on page 20 for further clarification of the Rights of Minority Opinion.

The Chairperson is not required to recognize a frivolous motion.
